Jim Nugent of TMSi Logistics Selected as the Vice President of Operations

(Portsmouth, NH | Fernandina Beach, FL) – TMSi Logistics is pleased to announce that Jim Nugent has been selected as the Vice President of Operations.

As Vice President of Operations, Mr. Nugent will be responsible for the regional managers and all of the logistical operations they oversee, including budget and actual costs, quality, customer relations, and the training of regional personnel.

Mr. Nugent previously contributed to TMSi as the Vice President of Business Quality when he managed the development and execution of Six Sigma and Lean Management programs. His experience and professionalism in the logistics industry have led to the improvement of processes and the development of more efficient training methods throughout TMSi.

“Jim has been a valuable member of the TMSi team since he joined the company,” says Ron Cain, President and CEO of TMSi Logistics. “We are fortunate to have him as the VP of Operations, and look forward to the progress and expertise he will bring to the role.”
