## **TMSi Logistics Hires George Henrich as a Director of Client Solutions**

(Portsmouth, NH | Fernandina Beach, FL) – TMSi Logistics is pleased to announce that George Henrich has joined the company as a Director of Client Solutions.

As Director of Client Solutions for TMSi, George will work directly with clients to improve overall business processes by developing performance-based models for supply chain management. He will utilize best-of-breed supply chain tools and methods driven by continued process improvements to achieve sustainable cost savings and improved service levels.

Mr. Henrich brings 25+ years of experience in logistics and supply chain management. In his prior business development roles, George successfully implemented national and international logistics and supply chain programs for many Fortune 1000 companies. Most recently, he acted as a consultant, developing strategic programs for companies to optimize logistics functions and reduce expenses within the supply chain.

George holds an AS Degree in business from Pikes Peak College, CO and a BS Degree from Embry-Riddle Aeronautical University FL. He serves on the Board of Trustees for the New Hampshire International Trade Association.

“We are very pleased to have George as the newest member of our team,” says Ron Cain, President and CEO of TMSi Logistics. “George is highly qualified and experienced in supply chain management, and I am confident that he will be instrumental in TMSi’s continued growth.”
