**Thomas M. Rouen Jr. Named
President and Chief Operating Officer (COO) of TMSi Logistics**

(Portsmouth, New Hampshire | Oak Brook, Illinois) - TMSi Logistics is pleased to announce that Thomas M. Rouen Jr., former Executive Vice President of PARCELite Solutionssm, a division of TMSi, has been named as the company's President and Chief Operating Officer (COO) as of January 1, 2009.

As President and COO of TMSi Logistics, Tom will be instrumental in the company's continued national growth. His past experience in marketing, manufacturing, and logistics has provided him with the management and analytical skill-set to execute operational change based on root cause analysis through a cost-out, profit-up approach.

Tom, along with the TMSi leadership team, will continue to build a values-driven, performance-based culture that improves service levels and increases cost savings across industries. He will also be instrumental in implementing LEGACY, a proprietary corporate values system based on community service and enrichment, which serves to enhance business performance, encourage employee involvement, and increase companies' awareness of social responsibility as a whole.

Ron Cain, Chairman and CEO of TMSi Logistics, states: "We're extremely pleased to have Tom as the President and COO of TMSi. I look forward to collaborating with him in our continued efforts to drive performance through LEGACY and the empowerment of our employees and business partners.
